Summer camps back after two-year hiatus

Mysuru, Mar. 29 (RK&BCT)- After a gap of two years when COVID-19 forced all the children to stay indoors even during vacation, summer camps have resumed in the city with many organisations planning high-voltage programmes to keep the children occupied, entertained and at the same time boosting their creativity and knowledge.

For two years, schools remained closed and children were confined indoors. Even the State Government had banned all summer camps.

Apart from being a stress-buster, summer camps provide ample opportunities to showcase their creativity. Now with the ongoing examination season coming to a close in April, the stage is set for children below 15 years to enrol themselves in various exciting summer camps.

A lot of schools, individuals, educational institutions, cultural organisations, theatre groups and sports organisations have planned summer camps. The organisers believe that the demand for summer camps is high because the parents feel that their children have been deprived of non-academic activities due to online classes.

Boys enjoying a dive as part of the summer camp at University Swimming Pool this morning.

Camp with the captive wild

Taking the lead is the Mysuru Zoo which is organising a 10-day summer camp for students aged between 12-18 years. While the first batch starts from Apr. 15 to Apr. 24, the second batch starts from May 1 to May 10. The timings will be from 10 am to 4 pm.

Students will get exposure to the basics of captive wild animals management and wildlife conservation. Students can learn about the management of animals at Zoos, animal behaviour and conservation.

Zoo veterinary officers and other subject matter specialists will interact with the children. Applications can be collected from the Zoo Office before Apr. 10 and students will be selected on a first-come-first-served basis. For details, contact Mob: 96866-68099 or send e-mail to: *edumysore99@gmail.com*

All the filled in applications should accompany: Recent stamp size colour photograph, age proof (copy of Aadhaar Card or birth certificate) and a camp fee of Rs. 1,000.

Chinnara Mela undecided

Conduct of the famed *Chinnara Mela*, a popular summer camp for children in the age group of 7 to 14 years, at Rangayana will be decided in a day or two. "We just finished Bahuroopi and our teams are busy with 'Ranga Pravasa,' a Statewide tour enacting plays. We are yet to take a call on the conduct of *Chinnara Mela* this year and we will make the announcement in a day or two," Rangayana Director Addanda C. Cariappa told *Star of Mysore* this morning.

Sports summer camp

The Department of Physical Education (DPE), University of Mysore (UoM), will conduct a month-long summer coaching camp in various sporting events from Mar. 30 to Apr. 30.

Children in the age group of 8 to 15 years can apply for gymnastics coaching. In the case of shuttle badminton, the age group is 12 to 16 years and for all other sporting events, the age group category is 10 to 18 years. Applications can be obtained from the University's PE Department Office located in Sports Pavilion, close to Crawford Hall.

(See CAMPS on page 7)

Shortage of medical equipment still haunts Mysuru District Hospital

By Mohan Kayaka

Mysuru, Mar. 29- The Mysuru District Hospital, located on KRS Main Road in Metagalli, which was inaugurated in 2020 even before being fully equipped, is still facing shortage of medical equipment and infrastructure.

Thanks to the initiatives taken by former MLA Vasu and former Chief Minister Siddharamaiah, this hospital was inaugurated by the then State Health Minister B. Sriramulu on Jan. 23, 2020.

To ease the pressure faced by the K.R. Hospital and Cheluvamba Hospital, the then State Government led by Siddharamaiah, sanctioned the District Hospital for his home district. The Hospital building, spread across a vast area of 13 acres, was built at a cost of Rs. 70 crore.

This 250-bed hospital has four floors and basement parking and its total built area is 20,969.3 sq.mts. The District Hospital provided exemplary service during pandemic treating over 10,000 COVID patients.

Ph.D awardees of VVCE

Mysuru, Mar. 29- The following faculty members of Vidyavardhaka College of Engineering (VVCE), Mysuru, have been conferred Ph.Ds during the 21st convocation of Visvesvaraya Technological University (VTU) on Mar.10:

D. Khasim Vali was awarded Ph.D in Computer and Information Sciences for his thesis "Retrieval Of Identical Tune Songs From Different Languages With A Tune Input" submitted under the guidance of Dr. Nagappa U. Bhajantri.

N.S. Prema was awarded Ph.D in Computer and Information Sciences for her thesis "Some Analysis And Prediction Techniques For Maternal Health Care System" submitted under the guidance of Dr. M.P. Pushpalatha.

N. Mohammed Muddasir was awarded Ph.D in Computer and Information Sciences for his thesis "Study And Evaluation Of Performance Optimization Techniques Of Near Real Time ETL" submitted under the guidance of Dr. K. Raghuveer.

P. Ravi was awarded Ph.D in Computer and Information Sciences for his thesis "OCR System For Ancient Kannada Epigraph" submitted under the guidance of Dr. C. Naveena.

H.N. Naveen Kumar was awarded Ph.D in Electronics and Communication Engineering Sciences for his thesis "Development of Novel Facial Expression Recognition System by using Hybrid Facial Features" submitted under the guidance of Dr. Chandrashekhar M. Patil.

B.B. Ganesh was awarded Ph.D in Mechanical Engineering Sciences for his thesis "Effect of Fin Perforations on the Rate of Heat Transfer under Forced Convection" submitted under the guidance of Dr. G.V. Naveen Prakash.

B. Vinod was awarded Ph.D in Mechanical Engineering Sciences for his thesis "Investigation of the Effect of Irradiation and Cryogenic Treatment on the Behaviour of Pineapple Leaf Fibre Reinforced Polymer Composites" submitted under the guidance of Dr. L.J. Sudev.

Arun C. Dixit was awarded Ph.D in Mechanical Engineering Sciences for his thesis titled "Studies on fatigue behaviour of Aluminium Boron Carbide Metal Matrix Composites" under the guidance of Dr. M. V. Achutha and Dr. B.K. Sridhara.

EDITOR'S BOTTOMLINE

We need to prepare our Gen-Next to be financially literate. The National Payments Corporation of India (NPCI) and the CBSE have introduced a financial literacy textbook for class VI students to impart basic financial concepts at the initial stage of education. While this initiative must be lauded, the Government must use the NEP (National Education Policy) framework to strengthen financial literacy. The Government should embark on a series of initiatives to educate students about money management and stock market awareness. Maybe a mandatory course for college students across disciplines with a mix of global and Indian examples could be used to increase awareness. The risks associated with the stock market and other financial instruments must be emphasised to our youth, thereby bringing financial discipline among them. We need to act before it is too late.

— G. Krishna Kumar in Deccan Herald

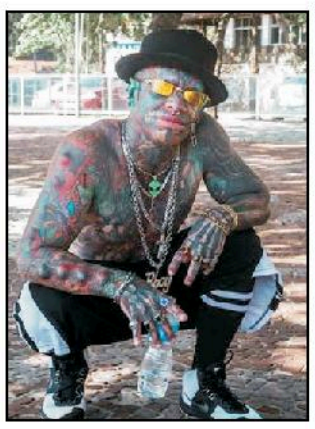
Woman dating 6 men praised for time management

Beijing: A woman who reportedly dated and scammed as many as six men at the same time was recently praised on social media for her time management skills.

The woman identified as 42-year-old surnamed Mao, recently made news headlines, after being arrested by the Police. Apparently, between the months of July and December of 2021, she had been dating six middle-aged men and tricking them into buying her things like smartphones, computers and clothes, as well as demanding various sums of money.

Unfortunately for her, one of the victims became suspicious of her behaviour, did some research and eventually discovered her scam.

Grandpa has 1,500 tattoos on his body



Bocaiuva: Marcelo Bboy, 38, has over 1,500 tattoos covering 98% of his body including his eyeballs and gums. The model and tattoo artist got his first ink when he was just 15 but waited a few years until he began covering his body in eccentric and colourful designs. He works as an artistic model and actor, as well as attending tattoo events as a public figure.

Bboy has spent nearly $40,000 on tattoos and body modifications. Among his many shocking alterations and adornments, has has tattooed his eyes and gums to appear black, split his tongue to resemble a snake, had his teeth entirely replaced with nickel and modified his ears.

" I only have a few spaces left without tattoos like intimate areas and some small spaces on my leg, but I plan to get them tattooed soon too," he said.

HEALTH CAPSULE

Lipomas are majorly benign non-cancerous lumps seen in various places of our body. But there are few sites where in they can be dangerous leading to cancer.

Bhargava (Member) and CA M.R. Thejaswi (Treasurer).

REALLY...?

- *There are about 30 mongoose species around the world.*
- *Mongooses are mainly carnivorous, but they are known to supplement their diets with plant matter. Despite their defenses against venomous snakes like cobras, they often target smaller, simpler animals as prey. Their diets may include insects, earthworms, crabs, rodents, birds, lizards and snakes, as well as both bird and reptile eggs.*
- *Many mongooses live solitary lives, while others form sophisticated communities.*
- *Meerkats, one of the most famous mongoose species, are well-known for their social groups of up to 50 members, known as "mobs."*

VOICE OF THE READER

Civic problems galore at Rajivnagar

Sir,

We wish to draw the attention of the local MLA, Deputy Mayor and MUDA Commissioner towards the poor maintenance of parks, roads and street-lights in our locality (Devanur 3rd Stage, now known as Rajivnagar 3rd Stage).

The new layout was developed by MUDA and sites were distributed during 1991 but not a single house was constructed for a long time. It was only after 2015 people slowly started constructing houses, but parks and roads are still in a bad shape. There is no proper street-light facility also.

The road laying works are in progress at some places but many roads are still untouched. The parks are not developed and are in a very pathetic condition with unwanted growth of weeds and shrubs inside the park.

As the street-lights in our locality are out of order, people, particularly ladies and children, do not find it safe to go out of their houses during dark.

There is every chance of hooligans taking advantage of the darkness with vacant sites galore in the area.

Uncovered manhole causes blockage of water and overflow of sewage water frequently.

The whole surrounding of the park area and vacant sites are converted into a dumping yard. Daily the garbage and carcass of dead animals are dumped here causing health hazard to the people of the locality.

The Narayana Hospital is located very nearby and the garbage burning causes a lot of problems to the patients inside.

Therefore, on behalf of the residents of Rajivnagar 3rd Stage, I request the authorities concerned to take necessary action to repair the park, provide proper street lighting, repair the roads and clear the garbage piles regularly so that the people of the area can heave a sigh of relief.

—S.A. Shah

MyBuild-21 construction materials expo concludes

Mysuru, Mar. 29 (MK&BNR)- The 21st Edition of MyBuild-21, an exhibition of construction materials, interiors and lifestyles, organised by Builders Association of India (BAI), Mysuru Centre, at Maharaja's College Grounds from Mar. 24, concluded last evening.

Among the 97 stalls, the following have won prizes:

Single Stall Category: Stone Sink - first prize; Relicomp Elevators - second; I-Leaf Doors - third.

Double Stall Category: I Build Solution - first; India Gold - second; DECOLAN.IN - third.

Multi Stall Category: RKB Build Pro - first; A1 Gold - second.

Unique Stall: PG Setty Construction.

Mysore Airport Director R. Manjunath, who was the chief guest at the valedictory, said that Mysuru is in the forefront in every field. "Airport plays an important role in making Mysuru a tourism hub on the lines of neighbouring Kerala. There is a sea change in the Real Estate business after Airport was built in Mysuru. Demand for sites have increased. No other city in the country has a grandeur that Mysuru holds," he said.

The poster of 'MyBuild-22' to be held between Dec. 8 and 12 was released on the occasion.

BAI Mysuru Chairman K. Ajit Narayan, Hon. Secretary A.S. Yoganarasimha, MyBuild-21 Chairman K. Sathish Mohan, Hon. Secretary M.D. Chandrashekar and others were present on the occasion.

Uniform schedule of rate system for all constructions

C.C. Patil

Bengaluru, Mar. 29 (KMS & BCT)- The State Government has introduced a schedule of rate system that will be uniform for all construction works including roads and buildings.

"As of now, there are 32 scheduled rate systems in different engineering divisions in the Public Works Department (PWD). Henceforth, we will follow a uniform schedule of the rate system," PWD Minister C.C. Patil informed the Legislative Assembly yesterday. This uniform schedule of rate system will not only remove disparity when constructions including roads and buildings are taken up but also will save money and will avoid disputes, he added.

Concerned over delays in completion of civil construction projects with complete Government funding such as roads, buildings and other infrastructure projects, some MLAs wanted the Government to adopt a norm where contractors quoting unworkable and very low prices were disqualified during bidding.

At present, the criteria of selecting the lowest bidder for all cash contracts for civil construction projects leaves enough scope for bidders to quote such prices, which are impractical and result either in delays or poor quality work. All civil and road owning agencies follow this norm, the MLAs argued.

On several occasions, bidders quote very low prices to bag the projects and thereby risk the completion of these works. The Minister said that the menace can only be checked by proper supervision by the agencies and their engineers and the Government was watching contractors who quote low prices.

The Minister also spoke of the bidder who quoted 25-30 percent lower than the tender rate. "We need to look at their work, and if they compromise on the quality of work. This is our responsibility," he told the House.

Patil said PWD will not take up any new work which will cause unnecessary expenditure for the State, as the Government is setting financial discipline.

He blamed the previous Government for spill over works and for taking up more work but with no fund allocation. "This has led to a financial crisis which we are sorting out at present. They have taken up more work than the allocated funds, which is why we are facing a fund crunch. This has increased pending bills every year," Patil said adding that in order to bring in financial discipline, unnecessary projects will not be approved.

'Pharmaceutical Inorganic Chemistry' textbook released

Mysuru, Mar. 29- Farooqia College of Pharmacy recently conducted an orientation programme for the students of D.Pharm, B.Pharm, Pharm.D & Pharm.D (PB) for the academic year 2021-22.

Chief guest Dr. M.D. Karvekar, Professor Emeritus of RGUHS, highlighted the various opportunities that are available in India and abroad for pharmacists.

He encouraged students to face challenges with confidence as their role is going to be vital and bigger in the field of medicine.

Taj Mohammed Khan, Hon. Secretary of Farooqia Educational institutions, asked the students to do more research and bring name and fame to the country and the college.

Dr. M.P Bhagat, Principal of Farooqia College of Pharmacy, also addressed the students.

On the occasion, a textbook titled *"Pharmaceutical Inorganic Chemistry "* written by Dr. M.P Bhagat and published by Blue Rose Publishers, New Delhi, was released. Meritorious students were feted with mementoes and certificates.

The programme started with the recitation of Quran Verses by Thareek, student of 2nd D.Pharm. Nisar Ahmed, Associate Professor, proposed a vote of thanks. Later students performed skit and cultural events.

'Dramas should lead us from darkness to light'

Opines theatre personality Prof. M.S. Venugopal

Mysuru, Mar. 29 (MTY&TRR)- Dramas should work towards leading people from darkness to light, opined theatre personality Prof. M.S. Venugopal, who is visually impaired.

He was speaking after inaugurating 'Drama, Seminar and Interaction' programme, organised by Desiranga Cultural Organisation as part of World Theatre Day at Mini Theatre in Kalamandira premises on Sunday.

"There is much difference between drama and life. The person who enacts a drama knows about his role, theme of the play, acting, dialogues and has the chance to get trained. But life, it is different as there is no training and unlike drama, the various facets of life are not known before. In this regard, we must aim to make our life as good as a beautiful play," he said.

Despite the fact that the world is thousands of years old, there is a feeling that it has not moved a step forward. This can be analysed as an uncivilised thought and tribal life. Man doesn't live on food alone. Some ideologies help people to grow. Good thoughts, ideals and good purpose shape the life of a person. Through this, we need to travel from darkness towards light and it is hoped that theatre will lead the process. All of us who are in the field of theatre belong to the same tribe and drama is in our breath which is always active in one form or another, said Prof. Venugopal.

Theatre personality Govindegowda, speaking at the seminar on the topic 'Mysuru Rangabhoomi Andu-Indu-Mundu,' recalled that theatre came into prominence in Mysuru since 1680. "*Mitravinda Govinda,* a play was written in 1680 and Mysuru rulers came forward to encourage dramas and formed 'Chamarajendra Nataka Company' in 1682. The Maharaja called upon the scholars to create drama literature and following this many dramas from Sanskrit were translated to Kannada. Basappa Shastry and Srikanteshagowda translated many dramas and became famous," he explained.

He further said that just like Dr. Rajkumar is called 'Varanata' in Kannada film industry, veteran theatre actor Varadacharya is called 'Varanata' of Kannada theatre. "The period between 1900-1940 is described as the 'Golden Period' of Professional Theatre. In 1902, Ratnavali Drama troupe was started and along with it, Chamarajendra Nataka Sabha, Gubbi Veeranna Company, H.K. Yoganarasimha's Kannada Theatres, Chamundeshwari Company and Dr. Srikantamurthy's 'Sri Srikanteshwara Nataka Company' were also started, which became famous and drama actors made a good name for themselves. Legends like Varadacharya, Malavalli Sundaramma, G. Nagesh Rayaru, Kotturappa, H.K. Yoganarasimha, Honnappa Bhagavat along with others glorified the theatre", he added.

Earlier, a women troupe, led by theatre thinker D. Nagendra Kumar, entertained the audience with old theatre songs.

Theatre personality Prof. Meeramurthy presided. Venkataraju and D. Nagendra Kumar delivered talks on "Arevrutti mattu Repertoire" and "Havyasi Rangabhoomi' respectively.

State Nataka Academy award winner Saroja Hegde was felicitated on the occasion.

Desiranga's Krishna Janamana, P.S. Deenamani and others were present.

Railway height gauge works causing problems to public

Mysuru, Mar. 29 (MK&KS)- The works on the railway height gauge undertaken on the narrow road near Chamarajapuram Railway Station, close to Pailwan Basavaiah Circle, K.G. Koppal, is severely inconveniencing motorists, pedestrians and the residents.

Four huge pits have been dug up on either side of the already narrow road to install the height gauge and the dug up soil and mud has been left on the spot, which is causing a lot of inconvenience to motorists as well as pedestrians. "We are facing a lot of problems due to excavated earth being left at the spot. We are unable to move safely and forced to come on to the road. The problem doubles when the railway gate is closed as vehicles line up on either side of the gate," said the residents.

A few more residents said that the works have come to a standstill since about a month. "Many people coming from Ballal Circle, RTO Circle and from K.G. Koppal side towards the Court use this road. When the gates open after a train passes, motorists rush to reach the other side which is resulting in frequent accidents as the excavated earth has taken up a major portion of the road giving very little space for motorists to pass," they said.

The works on installing height gauges is going on since about two-three months. There is a delay in completing the works and the same would be informed to the officials concerned, said South Western Railway's (SWR) Mysuru Division staff.

Zip from Mysuru to Bengaluru in 75 minutes from October

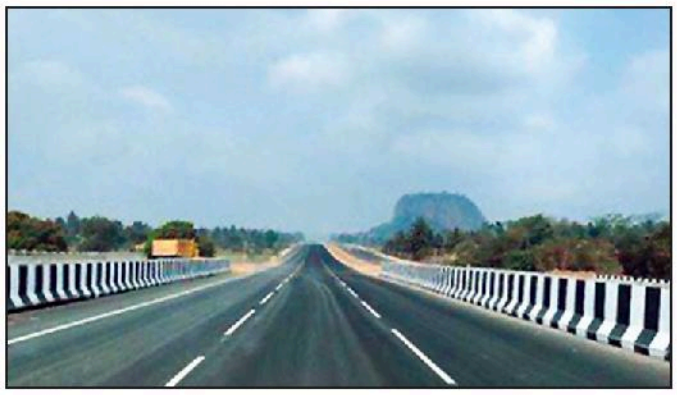
Nitin Gadkari

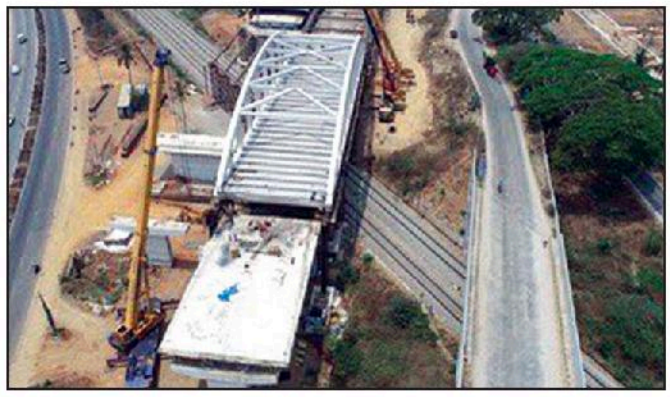
Bengaluru, Mar. 29 (KMS&BCT)- The on-going construction work of the Mysuru-Bengaluru 10-lane Highway NH275 will be completed by October 2022, Union Minister for Road Transport and Highways Nitin Gadkari has said. In a series of tweets yesterday, the Minister said that once completed, the travel time between Bengaluru and Mysuru will be reduced to 75 minutes.

The Minister said the Bengaluru-Nidaghatta-Mysuru section is 117-km-long and has been developed at a cost of Rs. 8,350 crore. The 10-lane project includes a six-lane access controlled highway with four-lane service roads on either side. Currently, a four-lane highway passes via congested towns.

"This road will substantially reduce the travel time from Bengaluru to Mysuru from three hours to 75 minutes only. It will enhance connectivity between the two important cities and provide an impetus to tourism and economy in the region," said the Union Minister.

Gadkari thanked Prime Minister Narendra Modi for expediting infrastructure projects like the Mysuru-Bengaluru highway in a corruption-free, transparent and time-bound manner. Motorists will get a 10-lane road on a stretch of 117 kms from Bengaluru to Mysuru.





Gadkari further said that the state-of-the-art project has multiple structures, such as an 8-km-long elevated corridor, nine major bridges, 42 minor bridges, four railway over-bridges and five by-passes, which will ease traffic congestion and significantly reduce pollution.

The Centre approved the project in September 2014 and Gadkari laid the foundation stone on March 24, 2018.

One of the toll booths set up on the Mysuru-Bengaluru Highway. The photo was tweeted by Union Minister Nitin Gadkari yesterday.

The highway will have more than 8-km-long elevated corridor in three segments — 4.5 km near Bengaluru, 3.8 km at Maddur and 400 metres at Srirangapatna.

The works have been divided into two phases: Bengaluru-Nidaghatta and Nidaghatta-Mysuru sections. A 4.22-km flyover is being built near Panchamukhi Ganesha temple. The Bengaluru-Mysuru section will have 53 kms of Greenfield roads in the form of bypasses: Bidadi (7 km), Ramanagara-Channapatna (22 km), Maddur (7 km, including 3.5 km of elevated highway), Mandya (10 km) and Srirangapatna (7 km).

A new lay-by (an area at the side of a road where vehicles can stop for a short time) with all amenities will be created at the Ramanagara bypass road and toll booths will come up at Kumbalgodu and Srirangapatna.

Shortage of equipment haunts hospital

(Continued from page 1)

But after that, lack of medical equipment and adequate needed furniture is severely affecting the hospital's function.

The District Hospital, which was a dedicated COVID Hospital following the outbreak of the pandemic in February-March 2020, gradually became COVID-free and started many other services like Post Natal Care, Out Patient Department (OPD), Urology, ENT, ICU and Nephrology. Besides, it also started treating patients with burn injuries and dental problems. In addition, Special Ward, General Ward, Dialysis, Labs and Blood Bank facilities were also made available for patients.

All efforts are being made to provide adequate services to the patients despite several constraints like shortage of medical equipment, staff and furniture.

The building is provided with three borewells, water tank with a capacity of 3.5 lakh litres, four lifts, centralised oxygen pipeline, fire fighting equipment, garden, parking facility for 100 cars and 500 two-wheelers, solar water heater and compound.

Despite all this, the number of patients visiting the hospital is very less as the lack of basic medical infrastructure is severely affecting the quality of services.

No. 1 in cleanliness

The District Hospital, which lags behind in providing medical services due to lack of good infrastructure, however, stands first in cleanliness. The hospital authorities have made sure that no wastes are littered in and around the hospital and a variety of flower saplings are being planted to beautify the hospital premises. The District Hospital earned No. 1 position in the Hospital Category of Swachh Survekshan conducted by the Mysuru City Corporation (MCC).

Shortage of staff

"The District Hospital needs over 300 medical staff but its present strength is less than 150. There are 27 specialist doctors, 60 nurses and 35 house-keeping staff. An increased number of patients results in increased work pressure on the existing staff," says District Surgeon Dr. H.R. Rajeshwari Devi.

In addition, there are no security guards to monitor the movement of people and our medical staff complain about people trespassing the hospital during night time, she adds.

Dr. Rajeshwari Devi says that Specialist Doctors are using their personal equipment and the equipment given by donors during COVID times, to give services to the patients who come here. "We have appealed many times to the Government to provide medical equipment. There is no shortage of beds in the hospital as sufficient beds were provided during COVID time. But there is no needed medical equipment for proper examination of patients and we are forced to treat patients with the minimum equipment available here," she added.

It may be recalled here that on Jan. 24, 2020, *SOM* had published a news item titled 'New District Hospital without medical equipment and staff inaugurated.' The report had highlighted the shortage of medical equipment and medical & para-medical staff. It is sad that even after two years of its inauguration, the District Hospital is still facing the same issues.

Opposition to mortuary

It is learnt that the residents of nearby localities are opposing the construction of mortuary in the hospital premises and hence, its work is in cold storage. "Since the mortuary will be built inside the compound of the hospital, people should not oppose," said Dr. Rajeshwari Devi seeking co-operation from the public to provide all the necessary medical services.

District Interventional Centre is being set up at the District Hospital with suitable facilities to screen and treat ailments in 0-18 years old children, people with physical impairment, hereditary and blood disorders. Also, there is a Tobacco De-addiction and Rehabilitation Centre. But to provide all these services to the people, the hospital immediately requires necessary medical equipment and also furniture.

—Dr. H.R. Rajeshwari Devi,
District Surgeon

Day-2: Trade Unions take out massive rally in city

Mysuru, Mar. 29 (PM&KS)- As part of the 48-hour nationwide strike called by Trade Unions to protest against various Government policies, a massive rally was taken out in city this morning on Day-2 of the stir.

More than 1,500 members of All India Trade Union Congress (AITUC), Centre of Indian Trade Unions (CITU), Indian National Trade Union Congress (INTUC), garment factory union, LIC, BSNL, Insurance Corporation etc. who assembled at Gandhi Square, took out a mammoth procession which passed through Makkaji Chowk, Sayyaji Rao Road, Govt. Ayurveda College and Hospital Circle, Irwin Road, Nehru Circle, Ashoka Road and Clock Tower, culminated at Town Hall premises, where they participated in a public meeting. They demanded scrapping of the proposed changes in labour laws and privatisation in any form. Banking services were hit as most of the nationalised or public sector banks joined the strike on the second day today. Even farmer organisations joined the stir.

Son slaps mother to death

Hunsur, Mar. 29 (Raghu&KS) - A son, who got angry on his mother for not cooking food, reportedly slapped her resulting in his mother breathing her last. The incident took place at Bilikere in Hunsur taluk on Saturday.

While the deceased has been identified as Jayamma (54), wife of Mahadevaswamy of Bilikere, the accused son is Harish, a car driver by profession.

Jayamma, who is said to be addicted to liquor, had reportedly consumed liquor during daytime and had not cooked food. Harish, who had gone out for work, came home for lunch. When he saw that his mother had not cooked food, he became angry and allegedly slapped his mother hard. As a result, Jayamma fell down and breathed her last.

Based on the complaint from Jayamma's daughter, who stated that her brother assaulted her mother and killed her, Bilikere Inspector Ravikumar has registered a case and arrested Harish. The accused was produced before a Court, which remanded him to judicial custody.

Summer camps back

(Continued from page 1)

UoM DPE Director Prof. P Krishnaiah told *SOM* that as of now, there is a limited demand for the sports summer camp. "This is because we have exam season now and the demand will hit the roof after the exams. We are conducting full-fledged sports activities including athletics, basketball, kabaddi, gymnastics, wrestling, karate, yoga, football and swimming," he said.

The swimming camp has already started in three batches per day and it will be held for 21 days, Prof. Krishnaiah added.

'Raja-Maja' camp

A 'Raja-Maja' summer camp will be organised by Natana Rangashale, spearheaded by theatre personality and actor Mandya Ramesh from Apr. 14 to May 8 at Sri Viveka Balodyana Public School in Jayanagar from 10 am to 4.30 pm.

The camp will be centred on drama and art and will involve *desi* drama techniques, singing, handicrafts, communication skills, interaction with noted theatre personalities, lectures and demonstrations about modern theatre and so on.

Students between the age group of 8 to 14 will be selected on a first-come-first-served basis and the applications will be distributed on Apr. 3 from 10 am to 1.30 pm at Natana Rangashale in Ramakrishnanagar. For details, contact Mob: 72595-37777 or 94804-68327.

'Besige Bandi' at Nypunya

The Nypunya School of Excellence at R.T. Nagar is organising a summer camp titled 'Besige Bandi' that will be purely based on *desi* activities. It will be a free camp from Apr. 11 for children between 8 years and 15 years where activities based on culture and Indian ethos will be taught.

These include bullock cart rides, slush field races, nature walks, a visit to historical places, folk art, participation in radio programmes, art and skill development, family values and also interaction with families.

Interested applicants can contact #302, Kautilya Bhavan, 20th Main Road, R.T. Nagar, Mysuru. The last date for submitting applications is Mar. 31. Contact: 0821-2340041 or 91080-02966.

Swimming camps are also being organised by hotels that have swimming pools.

Obituary

K. Bette Gowda

Mysuru, Mar. 29 - K. Bette Gowda (89), retired lecturer of Geography at Marimallappa Junior College and a resident of Bannimantap, passed away yesterday in city.

V. Prabhakar Memorial Legends T10 Cricket Tournament

VP Warriors emerge Champions

Jubilant VP Warriors team which won V. Prabhakar Memorial Legends T10 Cricket Tournament. Picture right shows the runners-up — VP Royals team.

Mysuru, Mar. 29- VP Warriors registered a 16-run win over VP Royals to emerge champions at the V. Prabhakar Memorial Legends T10 Cricket Tournament organised by Navodaya Cricket Club (NCC) in association with the Department of Physical Education (DPE), University of Mysore (UoM), at SDNRW Grounds here recently.

After being put into bat, VP Warriors scored 95 runs in the allotted 10 overs before losing their six wickets. Middle order batsman R. Madhusudhan played well to topscore 31 runs that came in just 18 balls which included three huge sixes and two boundaries while opening batsman Ravi Keerthi scored 29 runs in just 14 balls with three sixes and a boundary.

For VP Royals, spinner M.R. Anand bowled well to take two wickets conceding just 14 runs in his two over spell while Sandeep, Bharath, Shivakumar and Satish took a wicket each.

In reply, VP Royals who had to score almost ten runs per over, were restricted for 79 runs in 10 overs before losing their six wickets. Spinner Biligiri Ranga bowled well to take three wickets, conceding just 12 runs in his two over spell while fellow spinner M.J. Vivek too bowled exceptionally well to take two wickets, conceding just nine runs in his two overs.

For Royals, one down batsman Nandish Roy played well to topscore 38 runs in 23 balls. His innings were studded with three boundaries and a six. Biligiri Ranga who came out with a brilliant bowling performance was adjudged 'Man of the Match.'

Earlier in the league matches, VP Royals who pocketed overall six points emerged as topper while VP Warriors stood second with four points.

R. Madhusudhan of VP Warriors won 'Best all-rounder' award while VP Dynamos skipper A. Venkateshwara who displayed brilliant batting skills in the tournament won 'Best Batsman' award while left arm spinner M. Shivakumar of VP Royals who bowled well throughout the tournament won 'Best Bowler' award and G.N. Raghunath of VP Warriors who was live wire on the field won 'Best Fielder' award.

Former Ranji cricketer S. Vijaya Prakash, K.R. Mohan Kumar, President, Navodaya Cricket Club, who were the chief guests, distributed the prizes. On the occasion, Vijaya Prakash recalled the contribution of V. Prabhakar.

BRIEF SCORE (Finals)

VP Warriors: 95 for 6 in 10 overs (R. Madhusudhan 31, Ravi Keerthi 29, M.R. Anand 2/14) bt VP Royals 79 for 6 in 10 overs (Nandish Roy 38, Biligiri Ranga 3/12, M.J. Vivek 2/9).

Friends Association Cricket Club wins Tournament

Mysuru, Mar. 29- Friends Association Cricket Club (FACC) emerged champions of the Tournament for Temporary Registered (TR) Teams for the year 2021-22 organised by KSCA Mysuru Zone. In the finals, FACC beat NMCC by 7 runs.

FACC bated first and scored 161 for 6 wickets. Chasing the target, NMCC was all out for 154.

While Sashi (39), G.L. Ragunath (29) and Gaurav (24) scored for FACC, Naveen, Pramod and P.K. Swamy took 2 wickets each for NMCC.

While Rajib Batkal scored 40 runs, Suresh scored 30 runs for NMCC. For FACC, Harish, Subramanya and Radhakrishna took 2 wickets each.

Wins bronze at All India Inter-University Karate

Seen are** (from left) **Jaswanth, Manager, UoM Karate Team, Dr. P. Krishnaiah, Director, DPE, UoM, Deia S. Urs, medal-winner and Prof. G. Hemantha Kumar, Vice-Chancellor, UoM.

Mysuru, Mar. 29- City's Deia S Urs, State No.1 ranked karate kata champ, who took part in the All India Inter-University Karate Championships (2021-2022) hosted by Kurukshethra University, Kurukshethra, Haryana, between Mar. 14 and 17 at the campus indoor stadium, has bagged Bronze Medal for University of Mysore (UoM) in the Women's Individual Kata Category.

She faced a very stiff competition from 87 opponents in two pools and entered the quarterfinals. In quarterfinals, Deia topped her pool by securing 26.60 points as against her opponent Divya Gupta's (Banaras Hindu University, Uttar Pradesh) 25.90 points. But, in semifinals, she lost to P. Farshana of University of Calicut by a narrow margin of 0.2 points. While Farshana secured 26.20 points, Deia managed to score 26.00 points. In reverse bronze medal bout, Deia secured 28.82 points and defeated R. Mahalakshmi of Avinashlingam University, Coimbatore, who secured 27.24 points, to win Bronze.

Deia is the first person from Karnataka to win a medal in the individual kata category. Mesom Singhi of Lovely Professional University, Punjab, won Gold. P. Farshana bagged Silver and Debanjali Karmakar of Jadavpur University, Kolkata, took second Bronze.

Deia is trained by her father B.S. Srinath Urs. Both practice under All India Shito Ryu Karate Do Union President Hanshi C.S. Arun Machaiah, who is also the President of South India Karate Do Federation & Akhila Karnataka Sports Karate Association.

Over 2,000 karatekas from 168 Universities all over India took part is this Championship. From Mysore University, an 11-member karate women and men's team — Deia Urs (Female Kata), S. Ashwini (-45 kg), R. Dakshayini (-50 kg), T. Krithi (-61 kg), S. Sudha (-68 kg), P. Harshitha (+68 kg Kumite), S. Shashank (-50 Kg), Pavan Ponnappa (-55 kg), D. S. Thejas (Male Kata & -60 Kg), G. Shashank (-67 kg) & H.V. Hruschith (-75 kg Kumite) — took part in this Championships. They were accompanied by Manager Jashwanth, Coaches Sensei S. Deepak Kumar and Sensei Bharathi.

Along with Deia Urs, D.S. Thejas (-60 kg Individual Kumite), S. Ashwini, R. Dakshayini, T. Krithi S. Sudha (Team Kumite) will be representing Mysore University at Khelo India Games to be held at Bengaluru in April 2022.

Coffee estate worker killed by tiger

Villagers seek permission to shoot the tiger

Virajpet, Mar. 29 (KS)- A coffee estate worker has been killed by a tiger at the estate in Rudruguppe village in Virajpet taluk yesterday evening.

Ganesh Puttu

The deceased is Eravara Ganesh Puttu (29), a native of Gaddemane at Athur village in Gonikoppal. Ganesh, who was working in the estate of Konganda Aiyappa at Rudruguppe village, was involved in harvesting black pepper. Yesterday at about 4 pm, a tiger, which was prowling in the estate, attacked Ganesh all of a sudden and bit Ganesh's head, killing him on the spot.

Virajpet Range Forest Officers and staff, who rushed to the spot, conducted an inspection. As the news spread, villagers and farmer association leaders gathered at the spot and expressed anger on Forest Department officials. Meanwhile, the Forest Department staff tried to shift the body of Ganesh in a hurried manner which was opposed severely by the villagers.

The villagers said that about 10 days back, a calf, belonging to Atrangada Subbaiah, was killed by a tiger at the same spot and the Forest Department had not taken any steps to protect the lives of villagers and their livestock and now, the tiger has killed a worker.

The villagers, stating that they would not allow the body of Ganesh to be shifted till the Chief Conservator of Forests (CCF) or any higher Forest official arrive at the spot and staged a protest.

Give us permission to shoot the tiger

When the Forest Department officials told the villagers that adequate compensation will be provided to the deceased Ganesh's family immediately, the villagers, who got angry, said that they do not need the compensation but instead sought permission to shoot the tiger by themselves. "We will not go in search of the tiger, we will shoot it if it comes inside our estates and we will then inform you," the villagers said.

It may be recalled that three persons were killed by a tiger last year and the villagers had sought permission to shoot down the tiger then too.

Shepherd, 32 sheep run over by train

Srirangapatna, Mar. 29 (Vinay Karekura&KS)- A shepherd and 32 sheep were killed after they came under a moving train between Paschimavahini and Palahalli near Srirangapatna last evening. The deceased shepherd is Ningegowda (47), son of late Channegowda and a resident of K. Bettahalli in Mandya.

Ningegowda, who was tending the flock near the railway track, saw Gol Gumbaz Express train approaching from Mysuru side and rushed to chase the sheep which were on the track during which the train ran over him and 32 sheep, killing them.

WORD OF THE DAY

Largesse

Pronunciation: lahr-ZHESS.
Meaning: Largesse refers to the act of generously giving money or to the money given. It can also mean "generosity."
Origin: The word largesse, which also can be spelled largess, comes from Anglo-French large, meaning "generous."
Example: "Southwest Airlines provides complimentary no-strings-attached flight tickets to non-profit hospitals and medical transportation providers. ... There is a big focus on pediatric hospitals, meaning sick kids and their parents are often on the receiving end of Southwest's largesse." — Andrew Curran

THE ODD WORD

Lagniappe

Gratuity.

PHRASE OF THE DAY

Learn the ropes

Meaning: Learn the ropes means to learn how to do something.
Origin: Not surprisingly, the origin of the idiom "learn the ropes" is nautical. Before the days of ships powered by steam or fossil fuel, almost all ships had sails. New recruits had to learn how to tie knots and manipulate the ropes that moved the sails to capture wind most effectively; this series of lessons was termed "learning the ropes."
Example: "Once I learn the ropes at my new job, I won't be so nervous and I'll be very good at the work I do."

QUOTE BOX

Weave me a rope that will pull me through these impossible times.

—Tim Finn

SWR Solid Waste Management Plant
produces 45 tonnes of compost in 6 months

Mysuru, Mar. 29- The Mysuru Division of South Western Railway (SWR) has set up a Solid Waste Management (SWM) Plant at Mysuru New Goods Terminal (MNGT) on Mysuru-Bengaluru section in compliance with SWR rule.

With the plant in operation since last year, about 45 tonnes of compost has been produced in the last 6 months.

Waste that is collected from all Railway Colonies, Railway Stations and Offices in Mysuru, is fully segregated into organic, recyclable and inert waste, following which they are dumped in compost pits for composting.

Now, with the SWM plant fully established, the plant can produce about 7-8 tonnes of compost every month from collected wastes, thus contributing to the cause of keeping Mysuru city clean.

JSS Graduates' Day on Mar. 31

Mysuru, Mar. 29- JSS College of Arts, Commerce and Science, Ooty Road, Mysuru, is celebrating Fourteenth Graduates' Day on Mar. 31 at 11.30 am in the Golden Jubilee Hall of the College.

Suttur Seer Sri Shivarathri Deshikendra Swamiji will grace the occasion. Dr. B.S. Nagendra Parashar, Vice-Chancellor, Bahra University, Shimla, Himachal Pradesh, will be the chief guest and address the graduates. Dr. C.G. Betsurmath, Executive Secretary, JSS Mahavidyapeetha, will preside.

The students of the College, who have passed Under-Graduate and Post-Graduate degree examinations in the year 2020-21, are eligible to participate.

A total of 999 graduates, including 533 Under-Graduates and 466 Post-Graduates, are expected to take part in this programme. In all, 64 toppers will be honoured on the occasion.

The graduates may register themselves from 9.30 am to 10.30 am on Mar. 31 to attend the function, according to a press release from Prof. B.V. Sambashivaiah, Chief Executive and Prof. M.P. Vijayendra Kumar, Principal of the College.
